

Homework

A piece of Maths/English homework will be sent out via Learning with Parents on a **Friday**. Spellings will continue to be sent home on a Friday also, to learn for the following week.

There will be a new homework challenge uploaded on Dojo for this half term. Children are expected to read frequently at home and this needs recording in their school planner at least 3 times per week. We cannot express enough how important this is for your child. Even 5 minutes can make a difference.

Please send your child's book bag and reading books to school every day. Our TA's have designated slots throughout the week to change books. We really appreciate your help with this.

Swimming

Our swimming day will be a **Monday**. Please bring your swimming stuff to school in a named bag and ensure everything in the bag is named also. If you would like your child to wear goggles for swimming lessons, please ensure you have given consent via Dojo.

Additional

Please send your child in with a water bottle each day. Children can keep their bottles at the back of the classroom.

As the weather is getting warmer, it is likely that we will be taking some of our learning outside so please bring a named hat into school each day and wear sun cream. Please ensure that your child has a named waterproof coat in school every day.

I am always happy to see you to discuss your child. If you have urgent information for the day, please make the adult on the gate aware or send us a message via Dojo.

As we are coming to the end of the school year, I would like to thank you all for your support and efforts. We have had a fabulous year.

Thank you, Miss Welch
