Year 5

Homework Challenge Autumn 1 2024

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spelling, Maths and English homework that are set.

<p><u>Science – The Human Body</u> Measure your Heart Rate!</p> <p>Measure your resting heart rate then create a list of some physical activities which you intend to do for 1 minute (e.g. star jumps, running on the spot, throwing and catching).</p> <p>Then answer these questions: Which activity raised your heart rate the most? Which activity was physically more challenging? What do you notice when you exercise? Why does your heart rate increase when exercising?</p>	<p><u>Art and DT – Islamic Art and Architecture</u></p> <p>Create a Geometric design!</p> <p>Take inspiration from patterns in nature, online images or use your imagination to create a geometric design tile.</p> 
<p><u>History – Baghdad 900 CE</u></p> <p>Design your own city!</p> <p>If YOU had the chance to design a city... What would it look like? Consider: shapes, colours, buildings, accommodation, transport.</p> <p>What are your reasons for choosing these?</p>	<p><u>R.E - Islam</u></p> <p>Research the Qur'an.</p> <p>Find out some interesting facts about The Islamic Holy Book.</p> 

Please upload a picture of your work onto the Dojo. The challenge work is due in on: **w/c 21st October 2024**

The above menu details a range of work for the subjects that your child will cover this term. Homework Challenges completed need to be uploaded onto the Dojo portfolio or brought into school. We do ask that everyone has a go at this homework. We thank you for your continued support.

Mrs Howells (Class Teacher and Assistant Head)
